

Our 10th Annual Mountaineer Tail-Waggin' Tailgate Event Has Gone Virtual!

The drawing will be held live on the Humane Society of Parkersburg's Facebook page
Saturday, August 22, 2020 at 5:00 pm

Like most other events and fundraisers around the country, we had to make the tough decision to cancel our annual tailgate party held at Buzzie Dils River Lot. By not hosting the event this year, we were able to decrease the ticket price for the reverse drawing to \$100, add more payouts and increase the total amount paid to **\$10,000!**

We also plan to continue the tradition of having our popular auction. It too will be online and will be coordinated by Fouss Auction & Appraisal. The date and details of this event will be announced during our live reverse drawing event.

How can you help?

By doing one or more of the following:

1. Obtain a ticket for a \$100 donation to be entered into the reverse drawing. Tickets are on sale now. Watch our Facebook page or call the shelter at (304) 422-5541 to find out where you can get yours.
2. Sponsor the event. We have four sponsorship levels as indicated on the enclosed form. Sponsors will be promoted in our newsletter, on our website and on our Facebook page. One ticket for the reverse drawing will be given with each sponsorship level.
3. Donate to our auction. It can be an item, service, gift card, vacation home or time-share usage or anything else of value. Please call Karen Katchur at 304-615-1173 with questions.

2020 Reverse Drawing Payouts

# Drawn	# Drawn
1 - \$100	240 - \$100
20 - \$100	260 - \$200
40 - \$125	280 - \$100
60 - \$100	290 - \$100
80 - \$100	294 - \$225
100 - \$150	295 - \$300
120 - \$100	296 - \$400
140 - \$125	297 - \$500
160 - \$100	298 - \$700
180 - \$100	299 - \$1,000
200 - \$175	300 - \$5,000
220 - \$100	

What will the proceeds be used for?

This year's proceeds will again support our PAWS Expansion and Renovation Project. This gives us separate intake and adoption areas, adds an individual room for our cats as well as an isolation room, provides an area just for stray dogs, separate area for small dogs, creates indoor/outdoor kennels for our big dogs, and provides other much needed improvements and updates to the existing building.

The expansion is nearly complete and is an unbelievable transformation to our shelter. The remaining work to the addition is winding down then the renovation to the existing shelter begins. We have encountered numerous unforeseen construction obstacles that unfortunately added to the cost and length of time for the project. This is such an important project to the HSOP and we hope that you'll provide the support we need to fund such a worthwhile endeavor.
